

Village Voices Report

Village Voices is a community choir meeting on the first and third Thursday evenings of each month at the Baptist Church here in Witnesham.

The choir now numbers around 20 members coming from Witnesham, Swilland, Tuddenham, Westerfield, Otley, Charsfield, Tuddenham and Ipswich.

We perform a mix of our own arrangements and published materials

In 2025 we held 2 performances in Witnesham:

In November we held a Cabaret Concert in the Village Hall where as well as the choir performing, we invited anyone to "do a turn" From this concert we raised £500.00 for a hamper appeal providing local schoolchildren who are on free school meals with Christmas hampers

We also took part in the Carol Service in Witnesham Church in December.

This year we are having a concert on 31st May at 3pm in Witnesham Church with an African and Gospel songs raising money for the diocesan Kagera appeal. Free admission with donations for the appeal.

We hope to do another Cabaret concert in the autumn.

We welcome singers of all abilities to join us no audition!

A poem written by one of our choir members

In singing our spirit rejoices

It's one of our life's finest choices

A joy we will bring

And great music we'll sing

And where is this found? Village Voices!
