

Open Garden 2025

Last year our committee chose to hold an Open Garden event at Hall Farm Cottage, Church lane by kind permission of John and Chrissie Lightfoot, who have a large, beautiful and interesting garden.

Despite the summer being generally very warm and dry the day of the event was the wettest with torrential rain for most of the day.

Nevertheless the event was well supported and we thank you for that. We had a plentiful tombola, plant stall, lovely refreshments and Chrissie's wonderful prints and cards to be sold.

The proceeds of this event were donated to East Anglia Children's Hospice.

This year, 2026, the committee are organising a traditional Village Fair with kind permission of Peter and Emma Young at Burnbank, Church Lane. There will be lots of your favourite games, children's activities, stalls, delicious refreshments and an opportunity to meet Emma's friendly donkeys. The gardens are lovely and there is plenty of on site car parking.

We hope you will all be able to support this community event so make a note in your diaries for Sunday June 7th at 2.30 – 5.00pm.

Looking forward to meeting you all there.
