

Witnesham Baptist Church

This is the Church situated on Upper Street at the top end of the village. We have been there since 1856 with a few additions since then. Our Church is modern inside and has disabled facilities.

We hold our weekly services on Sunday mornings at 10.30am, except on the months when there is a 5th Sunday. We then join together with the Benefice Churches.

We are a small friendly Church and always offer a warm welcome to visitors. We no longer have our own Minister but have a variety of interesting speakers each week.

We have a home group, Bible Study and also a craft group which meets monthly on a Monday. Anyone is welcome to come along to this for craft, chat and light lunch. This is run by Heather Howlett.

The Post office has recently recommenced its outreach service in our conservatory on Tuesday afternoons from 12.30 to 4.00pm. To ensure this valuable village asset continues we encourage you all to use this service whenever possible. With the closure of so many banks the Post Office can offer many useful facilities.

Details of our services and activities can be found on our website witneshambaptist.org.uk
