

STOP THE WESTERFIELD QUARRY PUBLIC MEETINGS

Join Us at the Next Public Meetings – Show Our Strength Against the Quarry

Thank you to everyone who came along to our packed-out meeting at Westerfield Village Hall earlier this week. We were delighted to be joined by **Matthew Hicks** (Leader of Suffolk County Council) and **Elaine Bryce** (County Councillor), both speaking in strong support of the campaign.

Please join us at one of our upcoming meetings in **Witnesham** or **Tuddenham** – **even if you attended the Westerfield meeting**. These meetings are an opportunity to show strength in numbers for the press – please bring household members, friends, and neighbours along

At these meetings you can:

- Hear updates on the campaign and the planning application
- Learn how to make a strong, effective objection
- Ask questions and meet others in the community

Great photo opportunity: The more people in the room, the stronger our message.

Witnesham Village Hall – *Wednesday 20 August, 7:00–9:00pm*

Plenty of parking available in the field opposite

Tuddenham Village Hall – *Thursday 21 August, 7:00–9:00pm*

We will again be joined by members of the County Council who are supporting the campaign.

Please RSVP so we can plan for numbers.

Don't Forget to Object

If you feel ready to submit your objection to the proposed industrial pit, please do so now. Every individual objection counts – even if you objected during the screening last year, you must object again now.
